

NSF IUCRC Survey Questionnaire: Please Complete at This Meeting

- As a National Science Foundation (NSF) Industry / University Cooperative Research Center (IUCRC), CHECCS participates in the nationwide, longitudinal evaluation of NSF IUCRC Program processes and outcomes by completing standardized survey questionnaires.
- Survey responses are anonymous & confidential.
- All IUCRC member representatives (reps), faculty scientists, and student researchers are asked to complete one or two surveys each year after the Center's funding Year #1.
- Center data go into a national database for all-Centers reporting.
- The Center Evaluator for NSF reports aggregated responses to the Center (next meeting), and in an annual report to NSF.
- Please complete the survey for your role in CHECCS – member representative, faculty scientist, or student – at this meeting.
